STEP 7 Vehicle Expenses

- Commuting between your home and regular work location is not deductible.
- Commuting expenses for going between your home and a temporary work location *outside* the metropolitan area where you live and normally work are deductible. Travel expenses between your home and a temporary work location *within* your metropolitan area are not deductible unless either of the following tests are met:
 - You have one or more regular work locations away from your home or
 - Your home is your principal place of business
- There are two methods to determine the deduction for vehicles used for business: (1) actual expenses or (2) standard mileage rate (for 2021, 56¢ per mile).
- For each vehicle used for business, complete lines 1-6. If you know that you use the standard mileage allowance, ignore lines 7-13. If you had purchased this year *do not* use standard mileage allowance, provide a copy of the sales invoice.
